

Hello, Code Review

Your Name: Rob Hughes. Your CID: C11411208

Metric	Peer Comments	Response to Peer Comments
Satisfice <ul style="list-style-type: none">Does the code accomplish the task?	The code accomplished the task.	N/A
Efficiency <ul style="list-style-type: none">Are there different ways to solve the problem?Are there other ways to handle (more) edge cases?Is there a shorter/easier/cleaner/faster way to solve the problem?	Could have used more or less variables depending on how I wanted to output.	Should have used a variable for each to round, and then another to store the more precise versions.
Readability <ul style="list-style-type: none">Is the code readable?Are comments being used well?	Need more comments.	Will use more comments to describe code.
